

SAFETY INSTRUCTIONS

1. I'm always attached to the wires on the tracks via at least one of the Smart Belay-carabiners.
2. I'll only start my ascension to a track once all three of my anchor points are attached to the ALF-system at the start of each track.
3. It is strictly prohibited to lock/close the Smart Belay-carabiners using your fingers. If I fail at following this rule, I shall be held responsible for the possible damage I've caused to the equipment.

GROUND RULES

1. I will listen and pay attention to the given instructions and shall abide by them.
2. I will take care of both the equipment and the park itself on my end, causing no harm to either of them intentionally. If I shan't follow this rule, I will be held responsible for the damage I've done.
3. Smoking with the harnesses on is strictly prohibited.
4. I shall obey the instructions and guidelines found on the tracks in the park.
5. Normal traversal through the park and its tracks might cause slight bruises or stains clothing. SeikkailuSveitsi won't be responsible for these. As is with every other sporting or leisure-time activity, the participant's own pre-existing insurance will cover for the damages. If I do get hurt on a track, I shall inform the staff immediately.
6. I shall keep the park clean and neat (put my trash in the bins for example) and shall only move on marked trails and areas.
7. I'll acknowledge my own limits, taking no unnecessary risks. If there is something possibly detrimental to the adventure in my state of health, I'll inform the staff of this before embarking on my adventure.
8. I won't take on the adventure while intoxicated or under the influence of any narcotics.
9. I will embark on the adventure voluntarily and of my own accord. I recognize the possible risks and have understood the rules and regulations. I will abide by them to ensure my own, as well as the safety of others.
